MARCH 2023

Fort Lauderdale Chapter chartered December 8, 1966

Volume 54 Number 3

PRESIDENT'S MESSAGE

Compatriots and Friends,

At the close of our last meeting, Scott Moore signed and mailed in his application. Shortly thereafter I assisted Kevin Shurte in preparing and submitting his first supplemental application. Both applications were received at NSSAR on March 6, 2023. Already in the NSSAR pipeline, we await approval on applications previously submitted by Paul DeBold, Ed E. Sisson, and his sons, John B. Sisson and Mathew C. Sisson.

As to Chapter initiatives, a lot has been going on over the last month. First, with Joe Motes' help, Mark Snider has been appointed the Chapter Representative and I have been appointed the Chapter Deputy Representative to the Veterans Administration Voluntary Support (VAVS) Committee. This enables Mark (with me as an alternate) to participate in the VAVS Zoom meetings after which the Chapter contributes \$50.00 each meeting to support VAVS activities. Our annual contribution is budgeted at \$200.00. Second, Steve De Paul has currently raised \$2,500 in private donations to support Chapter initiatives. As Chairman of the Fundraising and Charitable Giving Committee, he and members, Mark Snider and Kevin Shurte, are working on recommending 3 to 5 local charities serving Broward County that we will consider supporting with a Chapter donation. Third, last month I announced that the Chapter would donate \$1,000 received from the Compatriot John Copanos Estate to the SAR Education Center and Museum Project. Subsequently, I realized that SAR was stepping up its efforts to promote its 1776 Campaign. While this campaign has several tiers of contribution levels - \$1,776 is an appropriately symbolic number. I am pleased to report that our Chapter membership answered my request to raise the additional \$776.00 needed. Our donation of \$1,776 will be mailed on March 11, 2023, to the SAR Foundation. It is being sent in on behalf of the Fort Lauderdale Chapter and Compatriot John Copanos (1970-2022) Estate.

Finally, after the last meeting, three of our newest members (Tom Carpenter Jr., Kevin Shurte, and Jim Clark) approached me about the possibility of forming a Chapter Color Guard. The Fort Lauderdale Chapter has never participated in this State and National Program. The Color Guard Committee includes the three members first mentioned along with Steve De Paul and Mark Snider. I am facilitating until we get to a decision point. I urge any member that has an interest to let me know. Ideally, we need five although we can do it with a bare minimum of three.

The SAR's mission is advanced through core programs and activities falling in the category of Patriotic, Historic, and Educational. You can go to the national website and start by reading "Our Mission" to get a basic understanding. There are a lot of things that SAR Chapters do in furtherance of these goals in offering SAR core programs that our Chapter does not do. Alas, there is only so much a few of us can do. So if you are looking at the list and think this would be a good Chapter activity - please volunteer to take it on and make it yours. I will empower you - I just need to know that you will coordinate and manage it.

I look forward to seeing you at our next meeting.

**SAR MEMBER PROFILE-
ROBERT COLLIER BOWLING SR &
ROBERT COLLIER BOWLING, JR**
Interviewed by Chuck Adams

Today, I am interviewing Robert Bowling and his son Collier Bowling. Both were approved by NSSAR for membership on January 27, 2023.

Q. Starting with Robert, can you tell us a little bit about yourself?

A. I was born in 1964 in Hollywood, Florida. I attended Pinecrest and Key Biscayne Elementary Schools, St. Agnes Junior High, and Christopher Columbus High School. I spent most of my summers working in the Florida Keys and Montana. I graduated from Stetson University in 1987 with a B.B.A, with an emphasis in finance. I then attended the University of Miami School of Law where I received my Doctor of Jurisprudence degree in 1990.

Q. What is your occupation?

A. I am a managing partner of Vernis & Bowling. The firm was organized in Miami in 1970, and it has grown into seventeen offices located throughout Florida, Georgia, Alabama, Mississippi, North Carolina and South Carolina. My areas of practice include commercial and corporate litigation; commercial ground transportation litigation; employment law; and personal injury defense.

Q. Can you tell us about some of your recreational interests or hobbies?

A. I enjoy most outdoor activities. I grew up spending my time on the beaches and waters of South Florida and in the Rocky Mountains. Boating, hiking, skiing, and fishing are all favorites. When time permits, we spend a lot of time in the west, mostly in California and Montana. I am a science and technology buff, and I like to follow shows and historical documentaries. I am a lifelong fan of the Miami Dolphins and also follow the Heat and Panthers.

Q. How about your family?

A. I have been married to my wife, Desma Lankford, since 1991. In addition to my son, Collier, we have two daughters. Alexandra is completing her Ph.D. in psychology at Marquette University. Gabriella is completing her law degree at Tulane University.

Thanks Robert. Let's switch to Collier.

Q. Collier, how about telling us a little bit about yourself.

A. I was born in 1994 in Miami, Florida. I graduated from Vanderbilt University with a B.S. degree in business consulting and then I earned my law degree from the New York University School of Law. I am presently unmarried.

Q. What is your occupation?

A. I am an attorney with Vernis & Bowling PA, working out of the Miami office. Prior to joining the firm in 2022, I work for a law firm in New York City and another firm in Florida. My areas of practice include business and commercial law, general insurance defense law, general liability defense law, and insurance coverage law.

Q. Can you tell us about some of your recreational interests or hobbies?

A. I exercise and I enjoy traveling. I am a fan of the Miami Dolphins and the Miami Heat.

Thanks Collier.

Q. So, obviously, both of you descend from the same Patriot Ancestor.

A. Yes, our Patriot ancestor is Jesse Bowling or Boling. He served from 1780 to 1781 with North Carolina troops and was a Sergeant at the time of his discharge. He resided in Wilkes County, NC. He first served with a company for three months when he was discharged. In the spring of 1781, he served in another campaign for three months. In July or August 1781, he was in Grayson County, VA where he volunteered for two months serving in a light horse unit. He was a Sergeant at the time of his discharge.

Thanks, guys, for sharing.

Our Chapter held our February meeting on the 18th, Chapter President Chuck Adams inducted our latest new member Thomas Carpenter Jr. 25 members and friends were present.

This is only a two day event so it is very affordable.

Call the Rosen Plaza at 1-800-627-8258 or direct at 407-996-9700 and mention group #NSSAR2023. Registration for the event will not actually open until sometime in May.
