C.V. Edward Frisinger
Stuart P. Browne
Wilbur R. Casey
Robert E. Dooley
Henry W. Fancher

These compatriots will be placed in nomination at the November meeting and members may make additional nominations from the floor of compatriots who have agreed to serve if elected. The election will follow and the new officers will be installed at our December meeting.

After our luncheon, our speaker Alfred J. Lippman entertained us with an informative and fascinating talk on "The Mexico I Know". As he had lived about two years in Mexico City and had been active in the business and social life, he had many interesting experiences and stories to tell. Among them was the daily, and to us most extraordinary, routine of business executives and the unusual significance of a man sitting hour-after-hour in a reception room ostentatiously reading a comic book, actually signalling his opinion of the character of the occupant of the inner office.

He said the Mexicans are very nationalistic but not anti-American.

DECEMBER MEETING

In December we will have out annual evening dinner meeting at which the new officers are installed. It will be on Monday Dec. 9th in the Point of Americas restaurant which is usually closed on Mondays. We will have more room than we had last year as the restaurant is providing the adjoining large social room for our cocktail hour, leaving the entire restaurant space available for our dinner. The total cost will be \$15.00 per person. More information in our next newsletter.

Please notify us if your address label is not correct.

NEXT MEETING NOV. 14th Please make reservations because we have to tell the restaurant how many to prepare for and we have no crystal ball.
