Presidents Message

Compatriots and Friends,

I will start off by welcoming into the Chapter our recent in-state transferees Earl Higginbotham and Daniel Kvarnberg. Both were also at our September 17th lunch meeting for those other lunch attendees that had an opportunity to meet them.

The FLSSAR semi-annual Board of Management meeting will be held at Lake Buena Vista South – Kissimmee, Florida from October 7 – 9, 2022. I am pleased to announce that Steven DePaul will be attending for the Chapter. We can look forward to his report at our October 15th lunch meeting.

In the September 2022 Newsletter as well as at that month's lunch meeting, I continued to encourage older members and all current officers and executive board members to complete a Member Profile for publication in an upcoming newsletter. I am pleased that Joe Motes has recently shared his profile which is featured in this month's newsletter. The Member Profile is a way for each of us to get to know our fellow compatriots a little better. Please consider contributing if you have not already.

This is the time of the year when we seek out any of you who may want to be considered for one of our 2023 elected officer positions. The Chapter's elected positions are: President, Vice-President, Secretary, Treasurer, Registrar/Genealogist and Historian/Editor. Anyone interested in being considered must notify me no later than by Friday, October 7, 2022. The Executive Committee will meet on or about Sunday, October 9, 2022, to finalize the proposed slate of officers for 2023. The proposed slate will be announced at our lunch meeting on October 15th as well as by e-mail to the 2022 active membership. The election will be held at our November 19th lunch meeting.

ERRATUS: The September 2022 Newsletter, I apologize for having grossly misstated the wrong month for the dates of the 2023 NSSAR 133rd Annual Congress being held in Orlando, Florida. The dates with early arrival are from July 13 – July 20, 2023. The kickoff Host Reception is Saturday, July 15, 2023, which is the day most attendees will arrive. NSSAR now has a special page with the link for making hotel reservations posted on its site under the events tab. You can go there or access it through the Chapter website by scrolling to the bottom of our "Events" page.

2022 PUBLIC SERVICE AWARDS**By Chuck Adams**

At our September 17, 2022 lunch meeting, we conducted our 2022 Public Service Awards Program. Both the SAR Law Enforcement Commendation Award and the SAR Fire Safety Commendation Award are presented to individuals for accomplishments and/or outstanding contributions in their respective area. Nominations were solicited from the Broward Sheriff's Office (BSO) by Vice-President, Allen Manning. President Chuck Adams made the presentations to this year's recipients as follows:

"The Broward Sheriff's Office has recommended and the Fort Lauderdale Chapter SAR concurs that the Chapter's 2022 recipient of the Law Enforcement Commendation Award is Detective John Curcio and that the Chapter's 2022 recipient of the Fire Safety Commendation Award is Captain Virginio Gallardo.

Detective Curcio is a highly regarded member of BSO's homicide unit. He has served in law enforcement for 40 years, and as a homicide investigator for the last 24 years. His meticulous skills are recognized and valued by his superiors at BSO who believe him to be one of the best homicide investigators in the county.

Captain Gallardo has been in the fire rescue field since 2004 and with BSO as part of the county-wide consolidation of services since 2007. He has risen through the ranks and is currently Captain of the Hazardous Materials Team. Besides overseeing those duties to keep our residents safe, he is particularly being recognized for his administrative-organizational and team building skills."

This is the first time in nearly five years that the Chapter has made a meritorious public service award. The Chapter now has a Public Safety Awards Committee set up to canvass Broward public safety offices in order to obtain nominations and make awards at least annually if not more often.

President Chuck Adams presented the Fire Safety Commendation Award to Captain Virginio Gallardo of Broward County and also presented the Law Enforcement Commendation Medal to Detective John Curcio.

The Fort Lauderdale Chapter held their September 17th meeting which was attended by 20 members and guests, President Chuck Adams swore in new member Jeffrey Watts and past State President Ted Duay pinned the rosette on Jeffrey. Ted Duay present Supplemental Certificates to President Chuck Adams and Martin Hollick.

At its March 2012 meeting, the Fort Lauderdale Chapter SAR dedicated a Liberty Tree with a commemorative plaque at the Rae Carole Armstrong Liberty Tree Park in Plantation. The history of the first Liberty Tree planted in Boston Commons in protest of the British Stamp Tax was discussed. The dedication of the Chapter's Liberty Tree coincided with the anniversary of the British evacuation of occupied Boston in March 1776 under threat of cannon fire by George Washington and his army on Dorchester Heights.

On September 19, 2022, I visited the Chapter's Liberty Tree to see how it was doing. What was once a small sapling under the shade of a larger tree has grown over the years into an impressive tree which I was pleased to see.
