August Chapter Meeting Highlights

(Minutes by Oscar Krahenbuehl)

Although attendance was low at the August 12th meeting, commentary and participation were of high caliber. The theme of 'winning the cultural war' was built around a presentation on this topic by Charlton Heston given at a Harvard Law School forum. Stirring discussions took place on the powers behind the current cultural correctness, why have more gun laws when existing ones aren't enforced and the rampant judicial trends away from the basic rules of law.

– It was obvious that things will be different when one of our members is made King.

Chapter Officer Candidates Needed

There is a dire need for a few good men to serve as officers for next year. Specifically, candidates are needed for Vice President, Secretary and Treasurer. Call Joe Motes or Oscar Krahenbuehl (564-2813) if you are willing to serve or want more information on the duties of any offices of interest. – A slate is needed by the October meeting for election at the November meeting. – Support your Chapter !!!
